

Finding a familiar report

1. Home page in app.expanamarkets.com is tailored to your favorite commodities.
 - Familiar Tone and Commentary show on the right side of the screen under 'Latest'
 - News articles for category/ies of interest appear along the bottom of the home screen under 'Your top stories'
2. From the Home page you can click on any item to read it.
3. See the News & insights module where you can browse through everything, by category. This refreshes periodically to show the latest news

Top tip: When viewing a familiar report or newsletter item, click the bell button in the top right to be notified the next time this item is published.
