

Newsletter: Set alert from Home page

1. Once logged into app.expanamarkets.com you'll see your customized home page with 'Latest' on the right side of the screen.
2. Click to open a report e.g. US Egg Market Update, US Poultry Market Update, with black background.
3. In the top right corner, click the bell symbol and a pop-up window appears.
4. Click the toggle switch so it shows dark green and then click 'Done' to create an alert for each time that Market Update is published

Top tip: If you need support then let us know and we can guide you

Newsletter: Download PDF

1. Whilst viewing the newsletter (with black background) you can click the download button (top right) to save the PDF to your device
2. Your web browser might have a step to choose the location you're saving the PDF file to – if so, you'll need to click 'Save' before it downloads.
